This site uses a small number of cookies. We do not run third-party tracking or advertising cookies.

Strictly necessary

- **Session cookies** — keep you signed in to the customer portal or staff workspace. Without them the site cannot tell who is logged in. These do not require consent.
- **CSRF token cookies** — protect form submissions from cross-site request forgery.
- `ccfs_cookie_consent` — stores your cookie-category choices (which optional cookies you have enabled or disabled) so the consent banner does not reappear on every visit. Set only after you interact with the banner. Retained for 12 months.

Optional (analytics and marketing)

- No analytics or marketing cookies are set by default. If you choose to accept optional cookies via the banner, your choices are recorded in the `ccfs_cookie_consent` cookie above.

Cookies we do not set

We do not set advertising cookies, third-party analytics cookies, social-network share-button cookies, or cookies that track behaviour across other websites.

How to remove cookies

Your browser settings can clear cookies. Signing out from the customer portal also clears the session cookie.
